

called for. Those in favor vote aye. Those opposed vote nay. Senator Whitney voting aye.

CLERK: Senator Whitney voting aye.

SPEAKER: Have you all voted? Clerk will record the vote.

CLERK: 25 ayes, no nays, 24 not voting.

SPEAKER: The motion passes so that it will be returned to the committee. The next bill, Senator Syas, did you want to be recognized?

SENATOR SYAS: I move, we talked it over, some of us, and we, I think it's agreed that due to the fact of the unsettled conditions on who will be here and who will not for the rest of the week, we, we, I'd request 193 and I guess Senator Clark wants 342 set for, bracketed for next Monday, action. If there is no objections.

SPEAKER: 343 you say?

SENATOR SYAS: Well, no, I said 193. I think Senator Clark wants the same thing but I'll let him speak for himself.

SPEAKER: To be bracketed until next Monday?

SENATOR SYAS: That's right.

SPEAKER: Is there any objections to Senator Syas' request to have L.B. 193 bracketed until next Monday? Do you want yours?

SENATOR CLARK: It's certainly all right with me. I'm glad he's letting me speak for myself, but it's all right with me to hold it until--

SENATOR SYAS: Okay, okay.

SPEAKER: I see no objections so L.B. 193 will be bracketed until next Monday. We'll let him speak for his own bill. Senator Clark, did you wish to ask for yours to be bracketed too?

SENATOR CLARK: Until Monday, yes.

SPEAKER: What number is that?

SENATOR CLARK: 342.

SPEAKER: 342?

SENATOR CLARK: Unanimous consent.

SPEAKER: Are there any objections to the unanimous consent motion? I see none so it'll be bracketed until Monday of next week, L.B. 342. Senator Carpenter?

SENATOR CARPENTER: Well, Mr. President, the Executive Council or Board, has authorized a number of committee chairmen to go to the meeting of State--whatever their title is, in which they sit there with a representative, almost every other state and consider common problems. A number of people will be gone, I presume this weekend and I'm sure that nobody objects to their going because I think it'd be very helpful but in view of that and other things, I'd like to move now that when we adjourn on Thursday, we adjourn until the following Monday at 9:00 or 10:00, whatever you want; 10:00.

SPEAKER: It's been moved and seconded that after we adjourn on Thursday, that we come back to the Legislature on a Monday following.
